WDA: The Best Way to Reach Wisconsin Dentists

2026

Advertising & Sponsorship Opportunities

The WDA is the professional association for Wisconsin's dentists. Founded in 1870, the WDA continues to grow and thrive today, with 3,000-plus members representing approximately 70% of dentists in the state.

The WDA's mission is to advance the interest of WDA members and the dental profession by promoting professional excellence and quality oral health care for the public. To that end, the WDA provides valuable services to members, including timely digital communications, an award-winning bimonthly print journal, a printed annual Sourcebook and our annual continuing education and awards events.

Digital, Journal and Sourcebook advertising, along with event and CE sponsorships, are the best way for your organization to reach Wisconsin's dental professionals!
